

CLINIQUE LA PRAIRIE - THE SCIENCE OF LIFE

Clinique La Prairie's commitment is to help and inspire our guests to live a healthier, longer and better life. Our holistic approach to health uses a combination of progressive medical expertise, and an exciting collection of traditional and alternative philosophies. All our programs are built on our pillars of longevity science: longevity medicine, nutrition, wellbeing & movement.

Since few years Clinique La Prairie has started a path of growth that will lead our company to open new centers all around the world with the objective to further strive our mission of helping our guests in their health journey. In doing this Clinique La Prairie is transitioning from a local to a global dimension and the current operating model is constantly put under an evolutive pressure.

To reinforce our team of Strategy & International Business Development, we are looking to recruit our new:

Business Strategy & Transformation Manager

EN/FR - based in MONTREUX

Responsibilities:

Reporting directly to the Director of Strategy & International Development, your main duty will be to:

- Guide the strategic planning discussion and be the “owner” of the 5 years business plan
- Contribute to the yearly budgeting process by ensuring the consistency with the defined long-term strategy
- Work on specific transformation projects (3-6 months) to always help the Company challenging the status-quo
- Support the International Development Business Unit in preparing financial projections & budgets for all the new centers (Health Resorts and Longevity Hubs)

Requirements

- 3-5 years' experience in a top consulting company
- Ability to interact with different people of different backgrounds
- Guarantee a professional quality service (proactivity, dynamism, speed of execution of tasks, presentation, behaviour).
- Results orientation, continuous improvement, planning, organization, priorities, analytical and decisive capacity
- Strong technical PC skills with Office365
- Proficiency in English and in French
- Detailed oriented
- Proven ability to effectively prioritize workflow
- Strong organizational skills
- Excellent interpersonal written and oral communication skills
- Ability to exercise good judgment, show initiative and be proactive
- High standards of ethics and confidentiality to handle sensitive information

Other information :

- Place of work: Clarens - Montreux
- Type of contract: CDI
- Activity rate: 100%
- Entry date: as soon as possible

We offer you a rewarding, stimulating, warm and international work environment where you have an impact, and you help us to shape our future.
